

ONLINE BYSTANDER INTERVENTION TRAINING FOR STUDENTS

At the University of Lincoln we are advising that all students complete the Bystander Intervention module, available on Blackboard.

Additionally, the module will count towards a chosen activity for **The Lincoln Award**. Simply download and print your certificate upon completion and present it to The Lincoln Award team for sign off.

To access the module, please visit the 'My Support Services' tab within Blackboard. Click 'Enrol' to join the course and select the 'No More' module to begin.
